DE MONTRÉAL

Elementary focus program

 **3,000 in prizes**

Are you a chartered professional accountant who knows children in grades 4, 5 or 6 who attend a school in your CPA Group's region? Would you like to know about an original way you can be involved in their school activities?

The Montreal CPA Group is pleased to present their Elementary focus program intended to foster school projects and enhance awareness of the CPA profession among the next generation. By sponsoring a school project, you could help a child's class win one of the 6 prizes of \$500 to be put towards a special activity.

As simple as 1, 2, 3!

Fill in the enclosed form that the student will also submit to his or her teacher and return it to your CPA Group before January 31, 2017.

- To be eligible, the school project or activity must be:
 - Original and feasible
 - Educational in nature
 - Applicable to the entire class.
- The 6 winners will be selected by random draw.
- The \$500 prize must be used to cover the cost of a project or activity that is not normally paid for by the school. The activities must be held before the end of the 2016-2017 school year.
- Any surplus must be used to purchase books for the school library.

Registration form

IDENTIFICATION OF CHARTERED PROFESSIONAL ACCOUNTANT

CPA's name: _____ Membership number: _____

Address: _____

City: _____ Postal Code: _____

Telephone: _____ E-mail: _____

Please note that chartered accountants who sponsor the winners agree to make a presentation on the CPA profession to the recipient class. The presentations may also be made by a member of the CPA Group.
